

PRESIDENT DONALD J. TRUMP

Monday Morning

Dear Fellow American,

I am fighting like hell to win and gain the power to Make America Great Again – for you, me, our families, and our nation’s future. I need you to remain by my side.

I urgently need your help to continue reaching out to voters to promote my America First agenda, expose the truth about Kamala’s role in pushing Biden’s failed Liberal policies, and build my momentum toward victory on November 5th.

Joe Biden and Kamala Harris put in place radical Left-wing policies that are destroying our economy, our security, our values, and our freedom. We can’t take much more of this. Nothing will be left of our amazing country if we don’t win this election.

I turned our nation around after eight years of Barack Obama’s terrible economic policies, weak foreign policy, and radical Liberal policies. And I will do it again after I defeat Kamala Harris – and destroy Obama’s dream of having another puppet to manipulate like he did with Crooked Joe Biden, the WORST President in history!

I promise you that I will return strong, steady conservative leadership to the White House. I will secure our borders, begin the largest deportation effort ever, dismantle the bloated bureaucracy, cut inflationary wasteful spending, rebuild our military, appoint pro-Constitution judges, repeal the “green scam” programs including Biden’s ban on gasoline cars, and so much more to make sure our government puts America, and Americans’ needs, First.

But the forces aligned against me – the Democrats, Left-wing billionaires, radical Liberal special interests, and, of course, the FAKE NEWS – are desperately trying to prop up the Democrats’ selected-not-elected, B-team candidate Kamala Harris, with hundreds of millions of dollars of advertising and on the ground organizing in key battleground states.

This campaign is far from over. And that’s why I am asking close friends and supporters like you:

**ARE YOU COMMITTED TO HELPING ME FIGHT HARD TO REACH VOTERS,
AND SURGE REPUBLICANS FORWARD TO VICTORY IN THE CLOSING
DAYS OF THIS CRITICAL CAMPAIGN?**

Please use the enclosed **Ballot for America’s Future** to let me know if you remain 100% committed to standing by us until the final votes are cast and tabulated...

...Or are you going to stand down and make me take on the Fake News Media, social

media monopolies, Liberal special interests, and vicious Democrats on my own?

I know you are a supporter, a dedicated America First Republican, and I've asked you to send your support several times during the past few months. I understand if you may be feeling like you have already done your part to help...

...But this campaign is getting more intense and more expensive every day. The Republican Party urgently needs your continued help to make sure we finish strong.

The Democrats are ramping up their campaign of attacks and misinformation. And their deep state allies are ready to start emptying their sleazy bag of tricks in the closing days of the election – remember how dozens of scummy intel hacks lied about Hunter's "laptop from hell," falsely claiming it was *Russian disinformation*?

Who knows what they'll do in the coming weeks to try to bail out Kamala's terrible campaign?

The Democrats and their Leftist allies have put me...and my family...through too much for me to ever stop fighting for our country.

I've endured ugly, costly, phony lawfare attacks by crazed federal and state prosecutors and corrupt judges. I've sat through sneering media interviews by Liberal activists masquerading as journalists. I even took a bullet from an assassin's gun. But I got back up and called for MAGA Republicans to Fight, Fight, Fight!

I meant it then, and I am sending the same message to you today – Stand by my side and help me Fight, Fight, Fight.

I'm proud to be leading our MAGA movement – the greatest political movement in American history – our effort to Save America, but I know I can't do it without the help of patriotic men and women like you.

The last thing any of us want is to wake up on November 6th and find out that Kamala Harris is going to be our President for the next four years. *That would mean the end of the America we know and love.*

So please use the enclosed **Ballot** to let me know you remain committed to standing with me through November by voting "YES."

Consider this your first chance to cast a VOTE to elect the Republican leadership we need – including me as your next President!

And please let me know you are putting "skin in the game" by including a generous contribution along with your **Ballot for America's Future** in the postage-paid envelope provided.

Please do not delay. Early voting starts in nine states by the end of September, and then several more begin in the first week of October. Some estimates are claiming that up to 40% of all votes will be cast by the middle of October.

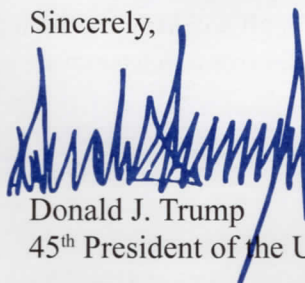

I want our Party to ensure that our supporters make a plan to vote on Election Day, to vote early in person, or to send an absentee ballot to ensure that weather, “technical” glitches, transportation issues, health problems, or a last-minute crisis don’t interfere with casting your Republican Vote. *We are going to need every vote to win.*

I NEED AN OVERWHELMING MARGIN OF VICTORY TO SEND A MESSAGE THAT THIS COUNTRY IS UNITED BEHIND ME AND MY AMERICA FIRST AGENDA.

That’s why it is so important to me to have you remain “in the game” and actively supporting and working for across-the-board Republican victories in November. Returning your **Ballot for America’s Future** immediately with a “YES” vote and a contribution of \$45, \$100, \$250, \$500, or even \$1,000 lets me know I can count on you.

Please respond as quickly and generously as you can. Thank you in advance for your steadfast commitment to helping elect me as the 47th President of the United States and winning total control of Congress.

Sincerely,

Donald J. Trump
45th President of the United States

P.S. There is not a moment to waste. Early voting is starting soon and I need to know I can count on your continued support and activism to help me reach undecided voters and gain their support. Please immediately use the enclosed **Ballot for America’s Future** to signal whether or not you will continue to support me and Republicans at all levels. If you vote “YES” on your **Ballot**, which I hope you will, please be sure to include a contribution of \$45, \$100, \$250, \$500, or even \$1,000 to help fund my campaign travel, our amazing rallies, hard-hitting advertising, campaign signs and literature, polling, volunteer training, and our Get-Out-The-Vote efforts.

There is clear choice between where I will lead our country – and where crazy Kamala Harris would take our nation. Harris promises more of the failed Biden agenda – packing the Supreme Court with Liberal activists, redistributive taxes, open borders, amnesty for illegal immigrants, endless expansion of government, and restrictions on our Constitutional rights. *I promise you that I will Make America Great Again.* So please, cast a vote on the enclosed **Ballot for America’s Future** today to let me know I can count on you. Thank you in advance for standing with me again to Fight, Fight, Fight.
