

PRESIDENT
DONALD J. TRUMP

Wednesday Morning

Dear Victor,

I deeply appreciate hard-working, freedom-loving patriots like you who continue to stand by my side in the fight to Make America Great Again.

Your loyal support of the **Trump National Committee (TNC)** has been tremendous. To show my thanks for your commitment to our movement and our cause, I have enclosed a Trump-Vance 2024 bumper sticker that I hope you will proudly display during the critical final months of the presidential campaign.

By placing your bumper sticker on your car or outside your home, you'll be showing your enthusiasm for my re-election to the White House and winning total control of Congress -- and you will most definitely drive the already crazy, Trump Derangement Syndrome-suffering Liberals absolutely insane.

Victor, the Left cannot stand the fact that during my four years as President, it was my America First policies that lifted our economy to soaring new heights before the pandemic, the border wall was being built, America was energy independent and our country was respected on the world stage -- and they're worried that I will do it again.

That's why the Democrats are doing everything in their power -- including unleashing the Deep State and their corrupt lawfare -- to defeat me and Republicans in 2024.

The radical Democrat Party bosses have installed a puppet candidate to fight for themselves. Their Far-Left allies and Hollywood mega-donors are spending **BILLIONS OF DOLLARS** to buy Kamala Harris a seat in the Oval Office so she can do their bidding and continue destroying our country with their Marxist agenda.

I am relying on my most fierce and faithful supporters -- TNC members like you -- to help me overcome this massive outpouring of Liberal special interest cash so I can get our positive America First message past the Fake News Media and directly to the voters at this crucial juncture.

So please take a moment right now to send an emergency TNC contribution of \$105, \$160 or \$210 to ensure our Party has the immediate resources it needs to defeat Lyin' Kamala Harris and fight back against the well-heeled, powerful forces of the Left.

Your strong support of the Trump National Committee means a lot. And sending your donation and displaying your bumper sticker today are both important to winning in November.

(Next page, please)

The Fake News Media certainly seems to have a collective case of amnesia of how successful my four years in office were compared to the last three and a half years of abject failure under the Harris-Biden administration.

And they want you to forget that Kamala Harris is the most incompetent and Far-Left vice president in American history and the driving force behind every single Biden catastrophe.

I need your help to continue informing voters about everything you and I accomplished for our nation -- and expose every failure of the Harris-Biden administration and the Radical Democrats.

You see, Lyin' Kamala and the Fake News Media don't want voters to know:

- Gas prices are up over 50%, housing/shelter costs are up 20.9% and real average weekly earnings are down 4.4% under Biden while they were up 8.2% in my administration. We cut taxes for families and businesses as we built the greatest economy in history;
- More than 10 million illegal immigrants and tons of deadly drugs like fentanyl have crossed the border on Border Czar Kamala Harris's watch, while I created the most secure border in U.S. history, ended catch-and-release and built 450 miles of powerful new wall;
- On the world stage, there is war in Europe, Israel was attacked by Hamas and Afghanistan was surrendered under Harris and Biden. There was peace in Europe, historic peace agreements were signed in the Middle East with the Abraham Accords and we achieved peace through strength when I was the Commander-in-Chief.

This is just a small sample of the facts that Harris's wealthy Far-Left puppet masters and the Fake News Media want to keep from the voters. They want to hide the truth about how Lyin' Kamala's Marxist agenda will continue to destroy America and tear down my remarkable record of accomplishments before Election Day.

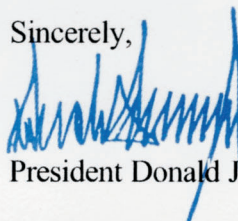

Victor, for the future of our country, we cannot allow them to succeed!

With your ongoing support of the Trump National Committee, Republicans and I will win sweeping victories this November and we will Make America Great Again.

Please send your most generous TNC contribution of \$105, \$160 or \$210 today to provide me and Republicans with the down-to-the-wire campaign resources to get our America First message past the Fake News Media and fund the grassroots Get-Out-The-Vote operation we must have to win.

Victor, time is running out. Please let me hear from you today.

Sincerely,

President Donald J. Trump

P.S. Victor, I hope you will display the enclosed Trump 2024 bumper sticker proudly as a symbol of your support for my re-election and winning total control of Congress. Please also take this opportunity to send an emergency TNC contribution of \$105, \$160 or \$210 to help provide me and Republicans with the resources we must have to defeat the Harris-Biden Democrats and their wealthy Far-Left allies this November. Thank you.
